ZIPPO®

EMEA CORPORATE GIFT CATALOGUE 2026

Give a gift they'll remember.

They'll think of you first – your business and your integrity – when they have your logo on a Zippo product. Whether you give the iconic, guaranteed-for-life windproof lighter or the warmth and power of a fuel hand warmer, you'll be remembered for quality - which is exactly what a Zippo gift says about you.

Corporate gifts from Zippo are easy to order and stand out from all the rest.

We offer:

- Low minimum order quantities
- Wide range of product colours and base models
- Wide variety of customisation options to create a unique design with full colour, single colour and engraved options for most products
- Gift packs at multiple price points
- In-house designers who can help you find the perfect exclusive design

Guarantee

Any Zippo windproof lighter, when returned to our Repair Clinic, will be put in first-class mechanical condition free of charge, for we have yet to charge a cent for the repair of a Zippo windproof lighter, regardless of age or condition. The finish, however, is not guaranteed.

This guarantee is additional to your statutory rights under national law. Other Zippo products carry their own specific warranties.

Because we are constantly improving our products, some items may not look exactly as depicted. The availability of items in this catalogue is subject to change with or without notice at Zippo's sole discretion.

1935 Replica

The 1935 Replica mimics the shape and features of the earliest-available Zippo lighters, including a shorter height, squared edges and exterior hinge, plus a uniquely designed insert.

Distinctive features:

- Three-barrel exterior hinge vs. modern five-barrel interior hinge
- Open hollow rivet secures flint wheel to insert
- Flat bottom and top surfaces with unique bottom stamp

1941 Replica

The 1941 Replica case shares its shape with those carried in World War II with its rounded edges and evolved into the classic case used today.

Distinctive features:

- Four-barrel hinge vs. modern five-barrel hinge
- Open hollow rivet secures flint wheel to insert
- Insert features squared edges and fewer chimney holes than current version

Vintage Lighters

Vintage cases are modeled after Zippo's first major redesign in 1937, which featured a taller case and interior hinge.

Distinctive features:

- Same five-barrel hinge as current models
- Squared case shape with rounded edges, similar to 1935 case
- Flat bottom and top surfaces with current bottom stamp

Signature Imprint Methods (shorter lead times)

Zippo Manufacturing Company has sole discretion to accept or reject artwork or images to be placed on any product for any reason, including but not limited to suspected infringement of third-party intellectual property rights. Purchasers submitting artwork must also submit an artwork agreement, which contains representations and warranties that the purchaser owns or has rights to the artwork, and agrees to indemnify Zippo Manufacturing Company for any claims related to use of the artwork on the products.

Color Image (one or two sided)

- Zippo's signature printing method is capable of anything from one-colour logos to full-colour photographic representations. Multiple spot colours can be matched to PMS colours for simple logos.
- Zippo will accept vector artwork files (Adobe Illustrator) in these formats: .ai, .eps, .pdf (provided entire contents of file are vector).
- Zippo will accept raster artwork files (Adobe Photoshop) no less than 3,81 cm wide x 5,71 cm high with a resolution of 600 DPI (dots per inch).
- Acceptable formats include .psd, .tif, .eps, .jpg (provided the resolution is high enough). Any file requiring background isolation must have paths or a layered file with transparent background included.

Laser Engrave

Computer-programmed laser engravers expertly reproduce your custom artwork onto a variety of base models. The crisp and precise design is revealed in metallic tones beneath the lighter's finish to provide luxurious contrast.

Laser Engraving is now available on most Zippo products. Show us your artwork and we will tell you if Laser Engraving will work for you.

Lustre

Restricted to plated finishes, the Lustre process recreates a design with intricate etching, which is then plated to add both depth and durability.

- MOQ: 100 for Lustre
- MOQ: 100 for Antique finishes

#352

Double Lustre

A design is double-etched onto a lighter and then plated for a layered, multi-dimensional effect. The lighter's high-polish finish is incorporated into the design's negative space for added depth.

- Base model restrictions apply
- Art constraints apply

#24751

Laser 360°

Precision lasers engrave 360° seamlessly around any High Polish lighter case.

- Base model restrictions apply
- Art constraints apply
- Design Center visits only

#49811

Laser Two-Tone

Zippo's lasers can be programmed utilizing two different depths, creating a unique contrast with silver and gold tones.

- Base model restrictions apply
- Art constraints apply

#48968

Pad Printing

Pad Printing utilises a specialty paint process to apply 1- or 2-colour artwork to products with curved surfaces, such as Candle Lighters and refillable hand warmers. Reserved for high-volume orders; MOQ may vary depending on product.

Premium and Luxury Imprint Methods (longer lead times)

Fusion

A combination of specific pre-determined colour palettes and chrome breaks creates an iridescent, metallic look.

- Base model restrictions apply
- Art constraints apply

#48592

Photo Image

Photographs are digitally replicated into high-resolution images, which are then laser-engraved with pin-sharp accuracy.

- Standard imprint charges apply
- Base model restrictions apply
- Art constraints apply

#48914

Emblem

Image is die-struck onto various metal substrates such as brass, aluminum and pewter.

- Art constraints apply
- May require additional lead time
- Tooling charges may be required
- MOQ: 500

#362

Stamped

Image is debossed into the case, creating a 3D design.

- Art constraints apply
- Tooling charges may be required
- MOQ: 500

#28994

Black Light

Specially formulated ink is selectively applied to a lighter's surface to reveal an image or enhance a design in the presence of ultraviolet light.

- Design Center in-house visits only

#49810

Glow-in-the-Dark

Lighters are treated with a specialty coating that causes a design (or certain elements of a design) to glow in the dark after being exposed to bright light.

- Some art and model restrictions apply

#48612

540 Color

For the first time, the signature windproof lighter can be completely enveloped by full colour graphics with the most intricate and vibrant designs possible.

#49354

540 Fusion

Our proprietary design application seamlessly surrounds the entire lighter (excluding the hinge and bottom stamp) with vibrant, full-colour graphics.

- Some art and model restrictions apply
- Design Center in-house visits only

#46705

MultiCut

A powerful milling machine accurately engraves deep, contoured cuts 360° around an Armor® case using a selection of tool sizes. Special buffing and plating is then applied for a high-end look.

- Base model restrictions apply
- Art constraints apply
- Design Center visits only
- Also available on select precious-metal models
- MOQ: 100

#49027
