PRODUCT CATALOG 23.2

Sluban wants every child to be able to play with educational toys!

Playing with educational toys connects and is meaningful and fun. Children are encouraged to use their imagination when playing and spatial awareness is also greatly enhanced. Playing with Sluban stimulates hand-eye coordination in children, which offers an educational advantage.

Our mission is to produce challenging and unique building sets that help children develop their fine motor skills and imagination. Sluban is a toy brand that designs and produces realistic building sets consisting of unique building blocks. The building sets are highly appreciated by the target audience. This is due to the sturdy fastening of the building blocks, wide selection of building sets and themes, and the economical pricing. Another advantage is that the building blocks can be combined with other well-known brands.

With versatility in themes, Sluban offers lots of fun for young and old!

Since 2009, Sluban Europe has been the importer of Sluban for Europe. The head office is located in Nieuwerkerk aan den IJssel (NL) and has 3,500 m2 of modern warehouse space. A complete modern logistics centre has been set up here, from which all Sluban dealers & wholesalers are supplied.
The unique Sluban building sets are available throughout Europe. Sluban can be found at toy stores, department stores, gift shops and non-food stores and various other outlets.

Sluban streeft er naar dat ieder kind met educatief speelgoed moet kunnen spelen!

Spelen met educatief speelgoed is verbindend, zinvol en leuk. Kinderen worden gestimuleerd om hun fantasie te gebruiken bij het spelen en het ruimtelijk inzicht wordt ook sterk bevorderd. Pedagogisch voordeel dat door het spelen met Sluban dit de hand-oog coördinatie stimuleert bij kinderen.

Daarom is het onze missie om uitdagende en unieke bouwsets uit te brengen die kinderen helpen hun fijne motoriek en fantasie te ontwikkelen.

Sluban is een speelgoedmerk dat door middel van unieke bouwstenen realistische bouwsets ontwerpt en produceert. De bouwsets worden zeer gewaardeerd door de doelgroep. Dit door een stevige bevestiging van de bouwblokjes, ruime keuze in bouwsets en thema's en de voordelige prijsstelling. Voordeel is ook dat de bouwsteentjes te combineren zijn met andere bekende merken.
Met veelzijdigheid aan thema's biedt Sluban dan ook veel speelplezier voor jong en oud!
Sinds 2009 is Sluban Europe de importeur van Sluban voor in Europa. Het hoofdkantoor in gevestigd in Nieuwerkerk aan den IJssel (NL) en beschikt over 3500m2 moderne magazijnruimte. Hier is een compleet modern logistiek centrum ingericht, waar vandaan alle Sluban dealers & groothandels bevoorraad worden.

De unieke Sluban bouwsets zijn verkrijgbaar in geheel Europa. Sluban is onder andere te vinden bij speelgoedwinkels, warenhuizen, cadeauwinkels en non-foodwinkels en diverse andere verkooppunten.

Sluban setzt sich dafür ein, dass jedes Kind mit pädagogischem Spielzeug spielen kann!

Das Spielen mit pädagogischem Spielzeug ist verbindend, sinnvoll und macht Spaß. Beim Spielen wird die Fantasie der Kinder angeregt, und auch das räumliche Vorstellungsvermögen wird stark gefördert. Pädagogischer Vorteil: Das Spielen mit Sluban stimuliert die Hand-Augen-Koordination der Kinder.

Deshalb haben wir es uns zur Aufgabe gemacht, herausfordernde und einzigartige Bausets zu entwickeln, die den Kindern helfen, ihre feinmotorischen Fähigkeiten und ihre Vorstellungskraft zu entwickeln.

Sluban ist eine Spielzeugmarke, die realistische Bausets mit einzigartigen Bausteinen entwirft und herstellt. Die Bausets werden von der Zielgruppe sehr geschätzt. Dies liegt an der stabilen Befestigung der Bausteine, der großen Auswahl an Bausets und Themen und den günstigen Preisen. Ein weiterer Vorteil ist, dass die Bausteine mit anderen bekannten Marken kombiniert werden können.

Mit einer Vielzahl von Themen bietet Sluban eine Menge Spaß für Jung und Alt!
Seit 2009 ist Sluban Europe der Importeur von Sluban für Europa. Der Hauptsitz befindet sich in Nieuwerkerk aan den IJssel (NL) und verfügt über 3500 m2 moderne Lagerfläche. Hier wurde ein komplettes modernes Logistikzentrum eingerichtet, von dem aus alle Sluban-Händler und -Großhändler beliefert werden.

Die einzigartigen Sluban-Bausets sind in ganz Europa erhältlich. Sluban ist in Spielwarengeschäften, Kaufhäusern, Geschenkartikelläden, Non-Food-Läden und verschiedenen anderen Verkaufsstellen erhältlich.

Sluban trabaja para que todos los niños puedan jugar con juguetes educativos!

Jugar con juguetes educativos permite conectar, tiene sentido y es divertido. Estimula a los niños a utilizar la imaginación al jugar y la visión espacial también aumenta considerablemente. Uno de los beneficios pedagógicos de jugar con Sluban es que estimula la coordinación manual-visual de los niños.
Por este motivo, nuestra misión consiste en lanzar juegos de construcción desafiantes y únicos que ayuden a los niños a desarrollar su imaginación y una buena motricidad.
Sluban es una marca de juguetes que diseña y fabrica juegos de construcción realistas con bloques de construcción únicos. Los juegos de construcción son muy apreciados por el grupo al que están dirigidos. Esto se debe a la sólida fijación de los bloques de construcción, a la amplia gama de juegos de construcción y de temas y a sus precios económicos. Otra ventaja es que los bloques de construcción se pueden combinar con los de otras marcas conocidas.
Gracias a su gran variedad de temas, Sluban ofrece diversión a raudales para pequeños y mayores.
Desde 2009, Sluban Europe es el importador de Sluban para Europa. La sede central se encuentra en Nieuwerkerk aan den IJssel (Países Bajos) y cuenta con 3500 m2 de modernos almacenes. Aquí se ha construido un moderno y completo centro logístico, desde el que se sirve a todos los distribuidores y mayoristas de Sluban.
Los exclusivos juegos de construcción de Sluban se pueden conseguir en toda Europa. Sluban está disponible en jugueterías, grandes almacenes, tiendas de regalos y de productos no alimentarios, así como en otros puntos de venta.

A Sluban quer que todas as crianças possam brincar com brinquedos educativos!

Brincar com brinquedos educativos cria ligações, é importante e divertido. As crianças são encorajadas a usarem a sua imaginação quando brincam e a perceção espacial também sofre melhorias substanciais. Brincar com produtos Sluban estimula a coordenação óculo-manual nas crianças, o que oferece uma vantagem a nível da aprendizagem.
A nossa missão é produzir conjuntos de construção desafiantes e únicos que ajudem as crianças a desenvolver as suas capacidades motoras e a imaginação.
A Sluban é uma marca de brinquedos que desenha e produz conjuntos de construção realistas, compostos por blocos de construção únicos. Os conjuntos de construção são bastantes apreciados pelo público a que se destina. Isto deve-se à fixação robusta dos blocos de construção, à vasta seleção de conjuntos e temas de construção, bem como ao seu preço acessível. Outra vantagem é que os blocos de construção podem ser usados com blocos de outras marcas conhecidas.
Graças à sua diversidade de temas, a Sluban oferece muita diversão para miúdos e graúdos!
Desde 2009, que a Sluban Europe é o importador da Sluban no território europeu. A sua sede situa-se em Nieuwerkerk aan den IJssel (NL) e conta com um moderno armazém de 3500 m2. Um centro logístico completo e moderno foi aqui criado para fornecer todos os revendedores e distribuidores.
Os conjuntos de construção únicos da Sluban estão disponíveis em toda a Europa. A Sluban pode ser encontrada em lojas de brinquedos, hipermercados, lojas de presentes e não-alimentares, bem como em vários outros pontos de venda.

Sluban s'efforce de faire en sorte que chaque enfant puisse jouer avec des jouets éducatifs!

Jouer avec des jouets éducatifs, c'est communicatif, utile et amusant. Les enfants doivent faire appel à leur imagination en jouant et l'intelligence spatiale est également grandement améliorée. La stimulation de la coordination œil-main des enfants en jouant avec Sluban est un autre avantage pédagogique.
C'est pourquoi notre objectif est de proposer des sets de construction uniques et stimulants qui aident les enfants à développer leur motricité fine et leur imagination.
Sluban est une marque de jouets qui conçoit et produit des sets de construction réalistes à l'aide de blocs de construction uniques. Les sets de construction sont très appréciés du groupe cible. Cela est dû à la solidité de la fixation des blocs de construction, au large choix de sets de construction et de thèmes et aux prix avantageux. Un autre avantage est que les blocs de construction peuvent être combinés avec d'autres marques connues.
Avec une variété de thèmes, Sluban promet beaucoup de plaisir de jeu aux petits et aux grands !
Depuis 2009, Sluban Europe est l'importateur de Sluban pour l'Europe. Le siège social est situé à Nieuwerkerk aan den IJssel (NL) et dispose de 3500 m2 d'entrepôts modernes. Un centre logistique moderne a été mis en place ici, à partir duquel tous les revendeurs et grossistes Sluban sont approvisionnés.
Les sets de construction uniques de Sluban sont disponibles dans toute l'Europe. Vous trouverez Sluban dans les magasins de jouets, les grands magasins, les boutiques de cadeaux ou de produits non alimentaires et différents autres points de vente.
